

**COUNCILMEMBER DONNA FRYE**

City of San Diego  
Sixth District

**MEMORANDUM**

**DATE:** May 3, 2005

**TO:** P. Lamont Ewell, City Manager

**FROM:** Councilmember Donna Frye *Donna Frye*

**SUBJECT:** Unfunded Pension Liability and Actuarial Required Contribution

Last evening at the City Council meeting and again in today's San Diego Union-Tribune, you are quoted as saying that the city will "make the full payment owed to the system"(regarding the pension). Based on the best information available to me, this does not appear to be factual. I am concerned that there is an impression being created that does not match reality and understates the problem.

Please provide to me the documents to support your statements that this year the city will be making the full payment owed to the retirement system. It also would be helpful to provide this information in a public setting, such as during the portion of the regularly scheduled City Council meeting under the City Manager Report.

Thank you for your attention to this matter. I expect that we will be able to discuss this matter during our scheduled meeting this coming Thursday.
